

Name of project

Person 1

Person 2

Person 3

**\*Your project idea:**

Briefly outline your idea and the possible project that you would like to develop with the help of EXIST women.

What have you already designed, created or realised as a pilot project?

What social, ecological or technological challenge are you responding to with this project?

**1. Project description\*** max. 1000 characters

**\*Your venture:**

Briefly outline an initial idea for your self-employed activity in future.

How can your project be turned into a sustain venture? What skills and support for your entrepreneurial activities would you like from our programme and network?

**2. Venture\*** max. 700 characters

**\*\*You, your team, your network:**

What is your background and do you already have a degree? Are you a team?

What different skills do you combine?

Your network: Who have you already worked with on this project or who is supporting your project? This could be supervisors at the school, but also external partners or experts.

**3. You, your team, your network\*\*** max. 700 characters

**\*Your plan:**

At what stage are you right now?  
What is your current level of development?  
What do you want to achieve in the 3 months of the scholarship and during the programme?  
Please: try to take a look ahead in 3 years.

**4. Your plan\*** max. 700 characters

**\*\*Links:**

Can we find more about you and your project online? Is there a project video? Then please add the links here.  
Pictures or graphics as attachments are welcome. Max. data volume 4 MB

**Links\*\***

**Please submit the PDF by 28 February 2025 to: [designfarm@kh-berlin.de](mailto:designfarm@kh-berlin.de)**

**Please check the box:**

Graduate, employee or student of the weißensee academy of art berlin or partner institution of the Cluster of Excellence 'Matters of Activity' of the Humboldt-Universität zu Berlin

Time for independent project work in the 2025 programme period

Interest in future self-employment

I have not yet received any EXIST funding or start-up funding (e.g. Designfarm, Berlin Start-up Stipend, SeeWoman).
